## APPLICATION

### 2012 Brochure & Website Advertisers:

The time has come to make up the new Pelee Brochure and to update the Website for the upcoming 2012 Tourism Season.

The Calendar of Events is a very important part of both the Website and Brochure, and also the most difficult to compile due to time constraints. If you have any events planned for the 2012 Season please forward the Date and Event along with your ad information.

We would also like to receive any digital pictures of the Island that you may have that would be appropriate for the Brochure or Website. These can be emailed to [katrina.digiovanni@pelee.ca](mailto:katrina.digiovanni@pelee.ca).

The charge for an ad that will appear in the Brochure & on the Website will be **\$141.25 (\$125 + \$16.25 H.S.T)**. **Please send ad information and payment in full upon receipt of this Application.** You can also bring the ad & payment into the Office during regular business hours.

Please fill out ONLY the 2 lines below EXACTLY how you would like them to appear (such as: Name, Phone Number, email).
