PELEE ISLAND EXPERIENCE GUIDE AND TOURISM MAP

2020 Application

Each year, the Township of Pelee publishes a Pelee Island Experience Guide and Tourism Map for visitors to our beautiful Island. The guide is packed with information including attractions, events, accommodations, restaurants, shopping, services and more!

The Calendar of Events ensures visitors to our island know what is going on *BEFORE* they arrive and the island map provides an “at a glance” view of where everything is located!

The Guide is available across Essex County, on the ferries and is also circulated to a broad list of tourism agencies across Ontario, as well as, to our American neighbours.

Don't miss your opportunity to get
