## **SEASONAL EMPLOYMENT OPPORTUNITY**

### **Seasonal Equipment Operator – Snowplow/Grader Equipment**

The Corporation of the Township of Pelee is seeking resumes for a Seasonal Equipment Operator.

#### **Position Summary:**

Responsible to the Roads Manager, or designate, for performing winter maintenance of the municipality's roads and related transportation infrastructure.

This position requires the operator to use winter control equipment, perform documentation of activities and to work independently under the direction of supervisory staff.

This position may have an overtime component and the incumbent will be required to be available for all winter weather events.

The operator may also assist in general road maintenance and other occasional maintenance to transportation infrastructure as required.

The successful candidate will possess the ability to operate winter maintenance equipment, assist with snow removal and provide support as required.

The responsibilities noted above generally describe the requirements for the position however the incumbent must be prepared to conduct other job duties as requested by the supervisor.

This is a seasonal, casual position.

#### **Qualifications:**

G license in good standing with the Ministry of Transportation  
DZ license  
Experience operating heavy equipment

Resumes must be received by 5:00 PM – Wednesday, November 25, 2020 and addressed to:

Janice Hensel  
Chief Administrative Officer and Clerk  
1045 West Shore Road,  
Pelee Island, Ontario. N0R 1M0
