

The Corporation of the Township of Pelee
 Regular Meeting of Council
 COUNCIL RESOLUTION

Date: April 12, 2021

Resolution 2021 – 37	
Moved by: DAVE DELELLIS	Seconded by: SHERRI SMITH OUELLETTE

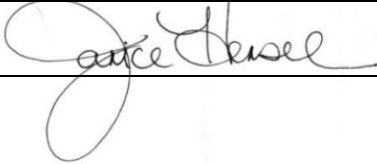

“**BE IT RESOLVED** that the Council of the Township of Pelee hereby acknowledges that there is an increasing incidence of environmental research occurring on the island related to Species at Risk and other natural, biological studies.

AND WHEREAS the Council would like to ensure it is made aware of all potential projects and their benefit and impact to the community. This action will ensure a co-ordinated approach to the effective management of all projects.

THEREFORE, the Council requires that all special interest and research groups or individuals register their project, the intended scope of the work with the Township of Pelee prior to the commencement of any work.

AND FURTHER, that a copy of this resolution be posted to the municipal website and on all social media feeds, as well as emailed to all environmental agencies currently working on the island.

Amended to include the requirement for current and existing studies to register their project, and the intended scope of the work with the Township of Pelee.”
