TOWNSHIP OF PELEE

ACCOUNTABILITY AND TRANSPARENCY POLICY

1. Purpose/Application

The Municipal Act, 2001 (The Act) requires that all municipalities adopt and maintain a policy with respect to the manner in which the municipality will try to ensure that it is accountable to the public for its actions, and the manner in which the municipality will try to ensure that its actions are transparent to the public. The purpose of this policy is to provide guidance for the delivery of the municipality's activities and services in accordance with the Act to comply with section 270.

2. Definition (s)

a) Accountability

The principle that the municipality will be responsible to its stakeholders for decisions made and policies implemented, as well as its actions or inactions.

b) Transparency

The principle that the municipality actively encourages and fosters stakeholder participation and openness in its decision making processes. Additionally, transparency means that the municipality's decision making process is open and clear to the public.

3. Policy Statement

The Council of the Municipality acknowledges that it is responsible to provide good government for its stakeholders in an accountable and transparent manner by:

- encouraging public access and participation to ensure that decision making is responsive to the needs of its constituents and receptive to their opinions;
- delivering high quality services to our citizens; and
- promoting the efficient use of public resources.

Accountability, transparency and openness are standards of good government that enhance public trust. They are achieved through the municipality adopting measures ensuring, to the best of its ability, that all activities and services are undertaken utilizing a process that is open and accessible to its stakeholders. In addition, wherever possible, the municipality will engage its stakeholders throughout its decision making process which will be open, visible and transparent to the public.

4. Policy Requirements

The principles of accountability and transparency shall apply equally to the political process and decision making and to the administrative management of the municipality

a) **Financial Matters**

The municipality will be open, accountable and transparent to its stakeholders in its financial dealings as required under the Act. Some examples of how the municipality provides such accountability and transparency are as follows:
